QA Level 2 Award in Emergency First Aid at Work (QCF)

Pre-Course information for candidates: Please bring photo ID

Practical Assessment

In order to achieve the qualification candidates will be assessed on their ability to carry out the practical elements of the course.

Please complete the registration form and return it prior to the course date stating any issues that may need to be taken into account.

Dress

Please wear clothes suitable for practical exercises. We recommend long hair is tied back.

Identification

Awarding bodies require that all candidates provide the trainer with photographic identification such as a driving licence or passport. Where the employee's manager is present and their identity has been verified then it is acceptable for them to vouch for the identity of their employees. Should there be any difficulty with this the trainer should be contacted in advance to arrange an alternative.

Content

The EFAW training and assessment will cover the following topics:

- Roles and responsibilities of a first aider
- Assessment and management of first aid incidents
- Management of an unconscious casualty
- Management of a casualty who is not breathing normally
- Use of AED
- Management of a casualty who is choking
- Management of a casualty who has a bleeding injury (including catastrophic bleeding)
- Management of a casualty who is in shock

This qualification introduces candidates to:

- The roles and responsibilities of a first aider
- The legal requirements for first aid provision
- The importance of accurate incident reporting
- First aid equipment and its safe use
- The need to minimise the risk of infection
- The importance of assessing an incident
- Undertaking a primary survey
- When and how to call for help

Course duration: One day programme 6 hrs

Assessment method:

Multiple choice examination & practical assessment. QCA accredited (1 Credit)
